**Cross-Border German-Romanian Goods Transport by Road
- Recognition of bilateral transport permits**

Your letter of 30 November 2005; no.: 6562
S 36/26.20.40-02 (RO)/22 R 05
Bonn, 8 December 2005

Dear Mr Mondocea,

Thank you for your letter of 30 November 2005 which I received only yesterday.

I would like to inform you with regard to your request that I agree to the immediate recognition of the bilateral permits for 2006.

Therefore, I instructed the Federal Office for Goods Transport to notify the authorities competent for the carrying out of roadside checks accordingly. However, since the notification will take place at short notice, it cannot be guaranteed that all officials carrying out roadside checks will be informed of the anticipated recognition of permits in time. In such individual cases, i.e. if the officials have not yet been informed and therefore a security has to be furnished, I leave it to the discretion of those concerned to file an objection. The amount of money paid will be reimbursed to the person concerned provided that there are no other claims which are still unsettled.

Yours sincerely,

For the Federal Ministry of Transport, Building and Urban Affairs
